

Q: What did I place on the ground before picking it up?
 GT set: {You placed several baseball bats on the ground.
 You also set down a glove and a few baseballs near them.}
 Chained QA: None

Ts: 00:11

GPT-5 (General): You put a couple of bats on the ground earlier.
 [Acc: Yes, Score: 4]
Intern-VL (General): You only put a single baseball on the dirt.
 [Acc: No, Score: 1]
Flash-VStream (Streaming): You placed your gloves and Helmets on the ground before grabbing the bat. [Acc: No, Score: 2]
ReKV (Streaming): I think you laid out some baseball equipment, maybe a bat.
 [Acc: No, Score: 3]
BuddyAssist: Earlier, you set several bats, a glove, and a few baseballs on the ground before picking up the bat. [Acc: Yes, Score: 5]
Human: A few bats, a glove, and some baseballs.
 [Acc: Yes, Score: 5]

Q: Where are the other bats I left over there earlier?
 GT set: {The other bats are still lying on the dirt in front of the fence, near the glove and baseballs.
 They remain in the same spot where you first placed them.}
 Chained QA: (Q: Where did I put things down when we arrived? A: You placed your bats, glove, and baseballs on the dirt near the fence.)

Ts: 02:58

Gemini-2.5-pro (General): I think you moved all the bats already—they're with you now. [Acc: No, Score: 1]
LlAMA-VID (General): The bats should be behind you near home plate. [Acc: No, Score: 1]
Dispider (Streaming): They're still on the dirt near the fence.
 [Acc: Yes, Score: 4]
Cogstream (Streaming): The other bats are lying on the ground by the fence.
 [Acc: Yes, Score: 5]
BuddyAssist: The other bats are still lying on the dirt near the fence, in the same spot where you originally placed them. [Acc: Yes, Score: 5]
Human: They're on the dirt by the fence where you left them.
 [Acc: Yes, Score: 4]

Q: How should I prepare these tools and equipment for work?
 GT set: {Put on the rubber boots for protection.
 Place the loose tools like the level and saw into the bag.
 Clear the ground to avoid tripping hazards.}
 Chained QA: None

Ts: 01:24

GPT-5 (General): Put on the protective boots and organize the tools into the bag. [Acc: Yes, Score: 5]
Intern-VL (General): Use the red level to dig the ground.
 [Acc: No, Score: 1]
Flash-VStream (Streaming): Move the indoor furniture to the side.
 [Acc: No, Score: 2]
ReKV (streaming): You should wear the boots and pick up the tools.
 [Acc: Yes, Score: 4]
BuddyAssist: Wear the rubber boots lying on the ground and gather the scattered tools into the bag. [Acc: Yes, Score: 5]
Human: Put the boots on and clean up the scattered tools so the crew doesn't trip. [Acc: Yes, Score: 4]

Q: What should I do to safely continue?
 GT set: {Be mindful of your footing on the uneven rocks to avoid slipping.
 Avoid looking at your phone while spraying to maintain control.}
 Chained QA: (Q: Where am I watering? A: Near some rocks, on the grass.)

Ts: 02:40

Gemini-2.5-pro (General): Keep the hose steady and direct the water where needed. [Acc: No, Score: 2]
LlAMA-VID (General): Pick up the rocks and move them to a new spot before watering. [Acc: No, Score: 1]
Dispider (Streaming): Dry the floor first so you don't slip indoors.
 [Acc: No, Score: 1]
Cogstream (Streaming): Hold the hose firmly and watch your step while working around the rocks. [Acc: Yes, Score: 3]
BuddyAssist: Maintain steady footing on the rocky edge, and avoid checking your phone during the task to stay safe. [Acc: Yes, Score: 5]
Human: Watch your step on the rocks and keep your attention on the hose instead of the phone. [Acc: Yes, Score: 5]
